# CB14K DUMP TRAILER

GREATER PAYLOAD THAN A STEEL TRAILER

## Exceptionally strong and lightweight

The CB14K is a heavy-duty, yet lightweight, dump trailer ideal for handling bulk material and equipment. Constructed of fuel-efficient, low-maintenance aluminum, the CB14K dump trailer is engineered to perform and built to last. Make it your own by equipping your trailer with a wide variety of popular options like a mesh pull tarp, spare wheel and tire, or wireless remote.

### The Benefits of Aluminum Far Outweigh Steel:

- Lower trailer weight
- Higher payload capacity
- Improved fuel economy
- Reduced maintenance costs
