

FROM LOADERS AND TRACTORS TO MOWERS AND BUILDING MATERIALS . . .

Eby Aluminum Flatbed Trailers

Engineered to perform. Built to last.

**Eby Aluminum Trailers outperform,
outlast and outshine steel trailers.**

Superior material and design . . .

Extruded Aluminum Floor: lasts longer; reduces weight; no rotting, splintering and protruding fasteners like wood floors.

High-Strength Alloy Ramps: much lighter and easier to reposition than steel ramps.

Integrated Crossmembers & Heat-Treated Frame Rails: reduce possibility of dips with frequent spacings; welded to high-strength alloy frame rails.

Pockets & Rub Rails: ample tie-down points; rugged side rail protection.

Better for your bottom line . . .

More payload capacity . . . lower trailer weight

Lower fuel consumption . . . reduced empty weight

Reduced maintenance costs . . . aluminum doesn't rust

High resale value . . . when you're ready to trade in/up

LOW PROFILE **Aluminum Flatbed Trailer**

Eby Low Profile 10K

STANDARD FEATURES

GVW:	10,000 lbs. 14,000 lbs.
