Description

Experience the Newmar Bay Star 3629 - The Ultimate Class A Motorized RV

Introducing the **2025 Newmar Bay Star 3629**, an opulent Class A motorized RV designed for adventurers who seek both comfort and style on the road. With a length of **36 feet 11 inches** and a width of **8 feet 6 inches**, this RV boasts spacious interiors that can comfortably accommodate up to **7 sleeping guests** – perfect for family trips or gatherings with friends.

Exceptional Features for a Memorable Journey

Engineered with practicality in mind, the Bay Star is built on a robust Ford F53 chassis and powered by a reliable V8 7.3L engine delivering **335 horsepower**. This powerhouse is complemented by a **generator** and a water heater, ensuring you have all the utilities needed for a functional and stress-free experience. Set your culinary dreams free with a fully equipped kitchen that includes a **microwave**, **oven**, **refrigerator**, and a **stove top burner**. Enjoy home-cooked meals on the go with the convenient booth dinette setup. After a day of exploration, relax in the comfort of a **king-size bed** tucked away in your private sleeping quarters.

Safety, Comfort, and Entertainment

Your safety is paramount with features such as smoke detectors, CO detectors, and LP detectors. This RV comes with air conditioning capable of 27,000 BTUs to keep you cool during summer trips, while the spacious bathroom facilities include a shower and toilet for added convenience. Stay entertained on the road with the integrated surround sound system and a TV for movie nights under the stars. Extend your living space with a **slideout** feature, complemented by a **slide-out awning** – perfect for adding that extra room for relaxation.
