### Description

The 2027 Newmar Canyon Star 3947 Front Engine Diesel is built for travelers who want the perfect balance of luxury, versatility, and adventure-ready capability. Designed on a dependable Freightliner® front engine diesel chassis with a powerful Cummins® diesel engine, this coach delivers a confident driving experience while offering the premium craftsmanship Newmar is known for.

One of the standout features of the 3947 floorplan is the spacious rear garage with a power rear ramp door, giving owners the flexibility to bring along motorcycles, golf carts, bikes, kayaks, or additional gear for extended trips and weekend adventures. Inside, the Canyon Star features an open residential-style layout with high-end finishes, abundant storage, and comfortable living spaces designed for life on the road.

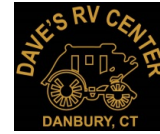

This specific coach is beautifully appointed with the Capilano décor package, chiffon maple suede cabinetry, and silver accent exterior graphics for a clean, upscale appearance inside and out. The kitchen is equipped with an upgraded induction cooktop and Whirlpool® 11 cubic foot refrigerator, making meal prep and extended travel more convenient than ever.

Additional upgrades on this coach include a central vacuum system, SiriusXM® radio capability, Starlink internet capability, solar prep, flag pole bracket, and the upgraded garage rear ramp power door for added convenience and functionality.

Whether you're planning cross-country travel, extended stays, or bringing your favorite toys along for the journey, the 2027 Newmar Canyon Star 3947 is designed to elevate every mile.

Contact Dave's RV Center today to schedule your personal tour, learn more about this incredible coach, and discuss current pricing and availability. Our team is here to help you find the perfect motorhome for your next adventure.
