Warranty⁶

12-month/15,000-mile basic limited warranty⁷

36-month/36,000-mile limited warranty on structure⁷

10-year limited parts-and-labor warranty on roof skin⁷

FOOTNOTES

1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please check with your dealer for further information.

2. The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.

3. Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

4. Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.

5. Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, CAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

See separate chassis warranty.

See your dealer for complete warranty information.

NA Not Available

Not all items available in combination. See dealer for details.

Winnebago's® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
