PREVOST®

The Prevost® chassis and shell is truly second to none and reserved for only a select few motor coaches and motor coach enthusiasts per year. In a Prevost® coach market, filled with opulence and options, the Foretravel Prevost® stands second to none. You will not only find the customary luxury features found in most all Prevost® conversions, but an unprecedented level of function, livability and appointments never before offered in a motor coach.

EXPECT MORE WITH FOREMOST

The Emperor Sauna Suite (45ESS) floor plan boasts 4 slide-out rooms offering the most spacious galley available. Within the galley you will find Crossville's imported porcelain floor tile from Modena, Italy, as well as the highest quality Cambria® solid surface counter tops and masterfully tiled backsplashes.

A NEW PERSPECTIVE ON ELEGANCE

The spaciouly designed dining lounge offers a new perspective featuring plush swivel seats adorned in custom hides. The dining lounge also has a 1080 HDTV, plenty of overhead cabinet space as well as hidden storage under the countertop.

WHAT DREAMS
ARE MADE OF

OPULANT OPTIONS ABOUND

Digitally control the temperature, water settings and even the incredible sound system installed in the master shower. Control the pressure of the overhead Ambient Rain Shower, adjust the multiple Water Tile® body sprayers and you can even control the mood with indirect LED lighting.

The Masterbath is a spa like retreat with the largest master shower ever constructed in a Prevost®

Create privacy by electronically frosting the glass door and wall

Full length tile bench

Custom built wedge style sink, plenty of counter space and a built in MirrorVue® bath & shower television

STEAM YOUR CARES AWAY

Should you rather take a steam the 45ESS leaves you wanting for nothing. The room features a full length tile bench so you can sit down, relax and turn on the Kohler Invigoration® 9kw steam generator.

When done you can turn on the high velocity roof fan to empty the sauna room of steam and heat and be ready to start your day invigorated!

There is one other extraordinary component we added to ensure only the very best bath and sauna experience possible for an Emperor Sauna Suite owner. You will find dual 8" x 36" water filtration chamber tanks. The ECOsmarte® system is the most advanced point-of-entry water treatment technology on the planet. It creates premium water quality while still preserving the calcium and magnesium minerals that are vital to your health. So regardless of where you are or what water is made available to you the ECOsmarte® system will ensure an exceptional quality of steam and water throughout the 45' Emperor Sauna Suite.

Let the party begin with a large outdoor prep area, refrigerator and exterior ice maker. Also included is a Bear Tooth Grill, the new standard in portable cooking.

An integrated high-pressure coach wash to keep your rolling masterpiece looking its best.
