Laminate countertops

Microwave/convection oven

2-burner range top w/glass cover

Norcold® two-door refrigerator/freezer

Cold water filtration system

NOTES: U1105

CSA specs may vary

Bath

Shower curtain (24G)

Retractable, self-cleaning shower screen (24J, 24M, 24V)

Flexible showerhead

Skylight

Water-pump switch

Porcelain toilet

Bedroom

Headboard, foam mattress underbed storage, mattress cover (24J)

Memory foam mattress w/cover (24G)

Flex Bed System twin beds/queen bed w/foam mattresses and access to storage below (24V)

Exterior

Automatic entrance door step(s)

Ladder (NA 24G)

LED porch light

Step well light

Front and rear mud flaps

Premium high-gloss skin

Powered patio awning w/LED lights (full-body paint option includes metal wrap)

Storage compartments

Exterior speakers

Heating & Cooling System

15,000 BTU air conditioner

20,000 BTU furnace

Electrical System

Service Center light, cable TV input, 30-amp. power cord, portable satellite dish hookup, QuickPort® service connection hatch

Auxiliary start circuit

Exterior AC duplex

Exterior antenna jack

Battery disconnect system (coach)

Automatic dual-battery charge control

AC/DC load center, 45-amp. converter/charger

2 deep-cycle, Group 24 RV batteries

3,600-watt Cummins Onan® MicroQuiet™ LP Generator

1,000-watt, DC/AC inverter

Plumbing System

Service Center color-coded labels, pressurized city water hookup/tank diverter valve, drainage valves, exterior wash station w/lighted pump switch

10' sewer hose

TrueLevel™ holding tank monitoring system

6-gallon 110-volt/LP water heater w/Energy Management System

Permanent-mount LP Tank w/remote fill w/power switches

Winterization Package water heater bypass valve and siphon tube

On-demand water pump

Lockable water tank fill

Safety

LP, smoke, and carbon monoxide detectors

10 BC fire extinguisher

Ground fault interrupter

Child seat tether anchor (24J, 24M)

High-mount brake lamps

Daytime running lamps

Warranty⁶

12-month/15,000-mile basic limited warranty⁷

36-month/36,000-mile limited warranty on structure⁷

10-year limited parts-and-labor warranty on roof skin⁷

¹ The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.

² The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.

³ Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

⁴ Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.

⁵ Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

⁶ See separate chassis warranty.

⁷ See your dealer for complete warranty information.

NA Not Available

Not all items available in combination. See dealer for details.

Winnebago's® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice.
