Stunning From Any Angle — 2020 Bay Star

In the 2020 Bay Star, high-quality amenities are thoughtfully chosen and artfully crafted to make every trip a pleasure. Eleven available floor plans allow you to select your perfect living space, and an impressive list of standard features makes it easy to live the good life. And when it comes to style, you have your choice of three Masterpiece™ paint finishes, four wood cabinet choices, and three interior décor selections. Because there's nothing more luxurious than a motor coach that truly fits your lifestyle. Additionally, a Ford® F-53 chassis and a 320-horsepower Ford® V10 gas engine are standard offerings.

Seneca full-paint Masterpiece™ finish

The Finer — Things

With elegant appointments and plentiful features, the Bay Star truly elevates the RV travel experience. Welcoming living and dining areas are accentuated by full LED lighting, six-panel pass-through doors, and vinyl flooring in your choice of colors. In the cockpit, discover a six-way power-adjustable driver's seat, JBL® audio system, a passenger seat work station, and optional Rand McNally® navigation. Extra safety is provided by a rearview camera system with a side-view camera display.

and Calypso cabinetry*

Make Yourself — at Home

In the Bay Star living room, kick back and relax on a Flexsteel® Ultralux sofa, captain's chairs or optional recliners. In-coach entertainment comes courtesy of Sony® Blu-ray players and Samsung® LED TVs found in both the living area and the bedroom. Also available is a Bluetooth®-enabled Bose® soundbar and multiple Wi-Fi connectivity solutions. And because luxury means having the ability to customize your space, a two-piece washer and dryer, fireplace, pair of recliners, storage ottomans, and bunk beds are all offered in select floor plans.

A Feast — for the Eyes

The Bay Star is outfitted with an impressive kitchen where style and substance merge effortlessly. Handmade cabinetry features concealed hinges and soft-close drawers and is available in four glazed finishes to suit your style. Thoughtful touches abound, like the wood-panel refrigerator door and pull-out pantry shelves. An over-the-range Whirlpool® microwave comes standard, as does a Villa® Comfort Fit booth dinette, which converts into an extra bed and boasts pull-out storage drawers. Even better, an optional Whirlpool® refrigerator and an available convection microwave grant you even more ability to make your Bay Star your own.

Dreams — Come True

Serenity awaits you in Bay Star's master suite. Awake refreshed courtesy of the plush pillow top mattress, which comes in either queen- or king-sized form depending on your floor plan. Pack whatever you please: the generously sized dresser features full-extension drawer glides, and a lit wardrobe space offers ample room for your belongings. If entertainment is on your agenda, the Samsung® LED TV and Blu-ray disc player are at your service.

Spa-Like — Serenity

All Bay Star floor plans are outfitted with a luxe master bath featuring medicine cabinets, a solid-surface sink top, vinyl flooring, and a shower skylight. In floor plan 3609, you'll find a mid-ship half-bath with a corner vanity and a spacious master suite. Furthermore, most floor plans are outfitted with roomy linen closets, providing additional storage for your towels, sheets, and other necessities.

The Great — Outdoors

Generous lit basement storage and an automatic entry step are standard equipment, along with a 5.5-kW Cummins® Onan generator, side-hinged baggage doors, hydraulic leveling jacks, and double-pane windows. Enjoy your time outdoors beneath the power patio awning, which features LED lighting. If you love to host friends and family, you can opt for the available optional outdoor entertainment center. And you'll travel through cold-weather states with confidence thanks to the side-mirror defrost function featured on all 2020 Bay Star models.
